Advanced bio-hydrodermabrasion - 75 minutes	\$135

OMNILUX LIGHT THERAPY

Turn on the light to turn back time! A painless, nonsurgical light therapy treatment that involves a precise wavelength of colour light passing through the skin to stimulate your own collagen and elastin. Your skin will be more energised and hydrated. It is great for targeting sun-damaged skin and the blue light kills the bacteria that causes Acne.

SKIN PEELS

Dermalogica Peels

Biosurface peel - 60 minutes	\$99
------------------------------	------

This chemical peel is designed to treat a multitude of skin concerns from pigmentation, uneven skin texture, acne breakouts and signs of premature aging. Resurfacing the skin with minimal downtime. A renewed, smoother, more hydrated complexion emerges.

O COSMETICS Peels

O COSMETICS Peels are a combination of proven medical strength actives that work skin deep, returning normal skin function and cell optimisation. A course of treatments once a week for 6-8 weeks is normally sufficient to change the cell's behaviour and a monthly maintenance treatment thereafter keeps them on track.

Pomegranate enzyme peel - 45 minutes	\$99
--------------------------------------	------

The ideal entry-level for all skin types including sensitive skins.

Pumpkin enzyme & fruit peel - 45 minutes	\$99
--	------

An effective yet gentle peel for all skin especially sun-damaged, aging and uneven skin tone.

Catalyst Retinol Peel - 45 minutes	\$99
------------------------------------	------

A Vitamin A, B3 and AHA skin correction treatment for most skins.

Oxygenating enzyme peel - 45 minutes	\$99
--------------------------------------	------

Natural fruit peel with Papaya, Pumpkin and Pomegranate Enzyme in one offers intense oxygenation and skin pick me up.

Bio-White peptide peel - 45 minutes	\$99
-------------------------------------	------

A high strength Vitamin C and Peptide peel especially for pigmented, dull and uneven skin tones.

Alpha-Beta peel - 45 minutes	\$105
------------------------------	-------

A serious skin resurfacing peel made of concentrated levels of Lactic Acid, AHAs, BHAs and B3. Not for the faint-hearted or before a special occasion.

DERMAPEN (SKIN NEEDLING)

Rebuild your own collagen from the inside out by using the Dermapen. By piercing the skin, and causing microscopic puncture wounds to the dermis, it stimulates the skin's own natural wound healing process to produce collagen and elastin.

Skin needling facial - 45 minutes	\$145
Advanced skin needling facial - 60 minutes	\$180

(Includes Omnilux light therapy)
